

Alexandre TANGUY

Engineering manager

Leader of IT technical teams and projects with a network and security engineer background. I am not a software engineer.

[Send me an email](#) / [Find me on LinkedIn](#)

Who am I and what am I looking for?

After 8 years in the tech, as a network and security engineer, where I learned blablabla and blablabla, I understood that I was happier leading a team, achieving big projects and helping my team mates growing in their own skills.

Professional experience

TBC

Education and languages

TBC

Activities and interests

- **Hobbies:** reading (a lot!),
- **Sports:** climbing/bouldering, running, cycling.

Volunteering
