---

## Who am I and what am I looking for?

After 8 years in the tech, as a network and security engineer, where I learned lots of things and grow up as an engineer and a human being, I understood that I was happier leading a team and helping them to achieve big projects and grow in their skills.

## Professional experience

**Engineering Manager** @ [OVHcloud](#) (*Mars 2018 - Present*)

## Education and languages

TBC

## Activities and interests

- **Hobbies:** reading (a lot!),
- **Sports:** climbing/bouldering, running, cycling.

## Volunteering

TBC
